

IMPORTANT DETAILS ABOUT THE KIPM COLLEGE OF ENGINEERING AND TECHNOLOGY

Establishment (2012)

KIPM-College of Engineering and Technology has been established in the year of 2012 under the aegis of Ashutosh Shiksha Evam Sewa Sansthan in the benevolent guidance and leadership of Er. R. D. Singh (President of the Society), to provide quality education to the students of Engineering. The Promoters are driven by an objective that our students need to be highly accomplished, enterprising and committed citizens so that they deliver the best values. In order to achieve such an objective, we follow well-designed and professionally formulated way of doing things supported by proficient and experienced teachers, a set of adequate infrastructure, and good ambience. The Institute is ISO 9001:2008 QMS Certified for all of its courses.

The college offers

Diploma, Undergraduate and Postgraduate programs in engineering.

The Undergraduate (B.Tech.) courses offered by the college include Computer Science & Engineering, Electronics & Communication Engineering, Electrical Engineering, Computer Science & Engineering (AI&ML), Mechanical Engineering, and Civil Engineering. The Diploma (Polytechnic) courses offered by the college include Mechanical Engineering, Civil Engineering, Electrical Engineering and Computer Science and Engineering. The Postgraduate (M.Tech.) courses offered by the college include Computer Science and Engineering, Electronics & Communication Engineering and Mechanical Engineering. The Institute has a well-equipped campus with state-of-the-art infrastructure, including spacious classrooms, well-equipped laboratories, a well-stocked library, sports facilities, and a student activity center. The college has a team of experienced and highly qualified faculty members who impart quality education to the students. The faculty members use modern teaching methods, including lectures, practical sessions, group discussions, and seminars, to make the learning interactive and interesting.

Facilities

To its students, including a hostel, transport, medical facilities, and a canteen. The college has a well-organized placement cell that helps the students to get placed in top companies. The placement cell conducts various training programs, workshops, and seminars to prepare the students for the placement process.
